Message from Ms McCarthy

Dear Parents/Carers and Community Members,

After a false start, it was great to get the Cross Country underway on the 19th! We were so impressed with *all* the students! Most students ran the whole way and they all put in their best effort. The sausage sizzle was a great follow up and it was nice for staff, parents and students to get the chance to mingle. The assembly was jam-packed but we managed to celebrate the Cross Country placegetters, 2 x Aussies of the Months, Merit Certificate winners, Faction ticket winners, Chaplain award winner *and* the Year 1/2 class who have done some wonderful work with The Whale and the Snail.

On the 27th, seven of our students went across to Narrogin to represent Dumbleyung at the Interschool Cross Country. They represented Dumbleyung spectacularly both on the track and off.

Thank you to all the staff and parent volunteers who helped with the events and always ensure our students have the ability to participate in organised events!

In Week 5, we celebrated Nights of Reading with National Simultaneous Storytime and read the book 'Family Tree'. Students who have read for 100 nights so far this year (and had their diaries signed with a tally) were able to chose a book to keep. These books are on display in the Library now so students can see what they are striving for.

We will revisit Nights of Reading again in Week 10. Please keep a running tally of nights read in your child's diary. Each Wednesday during Library, students will also participate in Storytime with Noongar author, Alton Walley, online.

Take care,

Jennifer McCarthy
Principal,
Dumbleyung Primary School

STUDENT AWARDS

Aussie of the month

APRIL **ESTELLA SCLALLY**

Estella has excelled in her role as school captain. She is organised, calm and thoughtful and helps her peers and school operations in numerous ways. Estella has made a concerted effort to be an active participant in her education and is a great role model. Thank your for your efforts, Estella!

MAY **ABBIE SMITH**

Abbie is a wonderful school leader who supports younger students in the classroom and playground. She regularly contributes practical and helpful suggestions to improve things at school and is a great asset to Dumbleyung Primary School.

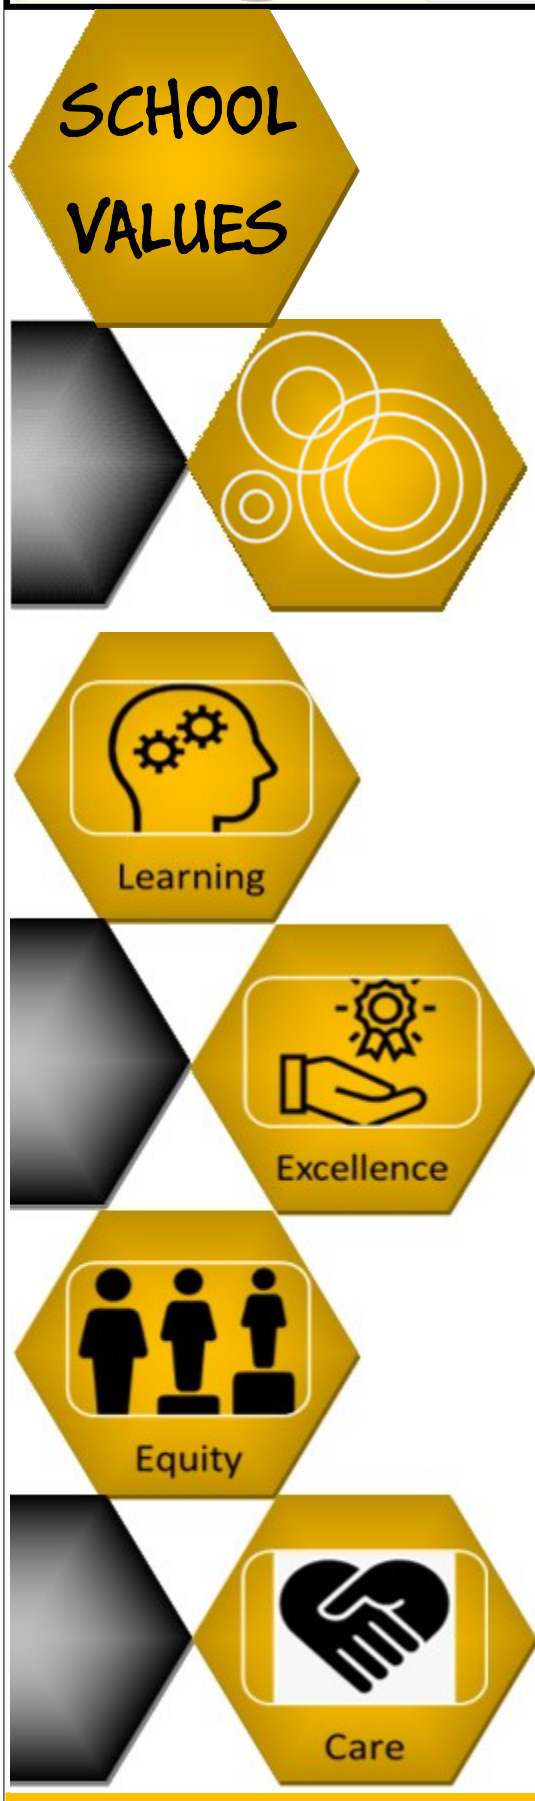
LEADERSHIP



Interschool Cross Country:

On 27th May, Week 6, seven students attended the Interschool Cross Country. This was held at Thomas Hogg oval in Narrogin. In the Year 3/4 girls race, Kelsie Smith came 12th, Eloise Bartram 11th and Lara Clavey came 5th. In the Year 3/4 boys race Edward Bartram came 6th and Bailey Cronin came 20th. In the Year 5 girls race, Bridie Bartram came 14th and Abbie Smith came 10th. Well done to everyone who raced and thankyou to the parents and Miss Hughes for taking us to this amazing opportunity.

Faction tickets:

So for this week's faction ticket results, Cronin landed on 153 and Kersley was close behind on 108.
The highest Cronin faction tickets went to Duke with 9.
Kersley's highest was from Keith who had 10 tickets.
Can we please ask the teachers to continue giving out faction tickets generously and the students to remember to put your faction tickets in some time before and after school? Congratulations and keep up the good effort.

Speech and Drama:

On Friday the 17th of June the Year 3 to 6 students will be participating in the Speech, Drama and Arts festival. The event will be held in the Dumbleyung Town Hall near the school. Poems, mimes, choral speaking and art will be some of the activities. The categories for the poetry are, Humorous and Australiana, some students have chosen to write their own poems. We would like to give a big thank you to the P & C for catering once again. Parents please help your children practice their poems and try get some expression in to your poem. Keep up the great effort and keep practising your poems!

'Til next time, take care,
Chappy and the leadership team

CHAPPY CHAT

Dear Parents/Caregivers

Last time I mentioned the importance of thinking before we speak. This week I want to go one step further and ask you to "think about what you are thinking about" This means being aware of our self-talk.

Our self-talk while very real, may not always be the truth or best way of responding to things. Our self-talk affects every area of our lives- thoughts, feelings, words, and behaviours. We can be having a great day and if there is a minor incident (someone ignores us when we are out and about).

When we get home, we ruminate over that and can come up with all sorts of conclusions (they don't like me, I've done something to upset them etc) This can leave us feeling hurt, lonely, and rejected. But what if they were running late for an appointment or had a personal emergency and just didn't see us? Sometimes we need to stop and maybe ask ourselves the same things we ask ourselves before we speak to others.

Be proud of who you are!

Don't give up!

Think positive!

It's worth thinking about…….

Remember if you ever want to have a chat please contact me through the office and I will get in touch with you.
