Last day of Term

Dear Parents/Carers and Community Members,

It is a big day today! Everyone is looking their best for school photos and then we will get into all of the excitement of Tabloid Sports including a sausage sizzle followed by an assembly and Learning Journeys!

We are only just coming down from the excitement of disco where Miss H, Chappy and the Student Leaders outdid themselves organising a fantastic event for all our students! They also raised \$185 in the process! Thanks again to FoodWorks for donating the drinks and food and thank you to all who came.

You may have noticed a change to the way we recognise faction ticket recipients in today's assembly. Previously, the student with the highest number of faction tickets in each faction received a certificate. We are trialling a new 'raffle-style' approach where each faction ticket equals a raffle entry. The winner from each faction will be treated to a special morning tea from me the following Friday. More faction tickets means more entries! We will be seeking feedback from students on this change.

With just two weeks left of Term 3 we still have plenty to pack in. Not least of all, Interschool Athletics in Yealering! We look forward to seeing you all there. If anyone is able to help with transporting equipment (gazebos, dais, jump mats etc) please get in touch. Many hands make light work.

Take care,

Jennifer McCarthy
Principal

Care

Dear Parents and Caregivers,

The Disco was a huge success! We raised \$185. Thank you to Dumbleyung Food works for providing us with all the food. We hope you all had fun and enjoyed the games, dancing and party food.

On the 16th of September our school will be attending the athletics carnival. We have all been practicing really hard. The attending schools include; Dumbleyung PS, Yealering PS, Wandering PS, Wickepin PS and Kondinin PS. students, all try your best!

This term for the last four weeks of school, we are being treated to golfing lessons with Megan Tuffley. We are learning how to use golf clubs safely and how to play golf properly. In particular, we must remember to use GASS (grip, aim, stance and swing)! Thankyou teachers for organising these fun lessons!

At the end of the term on Friday afternoon Week 10, we will be having a good standing activity to celebrate all students' achievements and cooperation throughout the term.

CHAPPY CHAT

I remember doing the ironing (or a crossword puzzle) on Sunday afternoons as my husband and sons watched all the four-wheel drive shows on TV. I didn't think I learnt anything until last week.

I went to Norring Lake, lit a small fire and watched the sun come up. Beautiful. Then I had a lovely walk around the lake. Just before heading home, I decided to go exploring and got myself hopelessly bogged (I mean up to the axle bogged!!!). I had to be rescued, but all the safety and survival tips that were on those tv shows that I wasn't "watching" came back to me just when I needed it most.

I think it's amazing that our brains are always absorbing information even when we aren't consciously trying to commit something to memory. For this, I am truly grateful. As carers/parents/teachers of our students, we can be encouraged that they are absorbing information all the time and (just when they need it most) it will come back to them.

Till next time take care.....

Chappy

Be proud of
who you are!

Don't
give up!

Think
positive!

TERM PLANNER

Dumbleyung Primary School Term 3 – 2022

	Monday	Tuesday	Wednesday	Thursday	Friday	SAT	SUN
