

DUMBLEYUNG PRIMARY SCHOOL

From the Principal's Desk

Hello Parents, Carers and Community Members,

We have had a number of students excelling in their personal pursuits for excellence and we would like to take this opportunity to congratulate them. Bailey Cronin was selected for the D'arcy Slater Cup, a prestigious regional tennis competition and came home with a medal for winning the consolation final in boys division 4. Well done Bailey!

Also a Year 4 boy, Edward Bartram, has been selected for the Primary Extension And Challenge program (PEAC), where every fortnight for one day a week he will travel to Narrogin to participate with other selected students from across the Wheatbelt. Well done Edward!

We are super proud of our students who are representing Dumbleyung Primary School further a-field! Keep it up!

Teachers are currently reviewing assessments and writing reports on student achievement and progress. Review of student data is most pleasing and some remarkable growth is evident across all learning areas in all classrooms! Well done students and teachers on your efforts throughout the year and thank you families for your support, learning is a process that progresses well when supported by

families at home through positive support and partnerships.

Our final School Council meeting is scheduled for Monday the 4th of December at 2:30pm in the school library. This is an open public meeting, so if you are available come along!

Just a reminder the end of year concert is scheduled for a 2pm start on Tuesday the 12th December, be sure to let the grandparents, extended family and significant others know so the time can be kept clear! We have many distinguished guests also attending.

'Fairy Bread Day' is tomorrow, Friday 24th. The Student Leaders have an array of activities available such as fairy bread making/buying and jellybean guess and best dressed costume! All students are encouraged to wear bright colours reflecting 100s and 1000s for a gold coin donation that will see all proceeds go toward our student leaders school gift. I look forward to seeing everyone's dress-ups!

I hope harvest is progressing well,

Kind Regards

Melanie Ball

FoodWorks Excursion

On Thursday, 26th October all Year 2/3 students visited our Local Grocery store. Our 'Learning Intention' was to consolidate money concepts in real life situations, skills and understand learnt at school through Prime

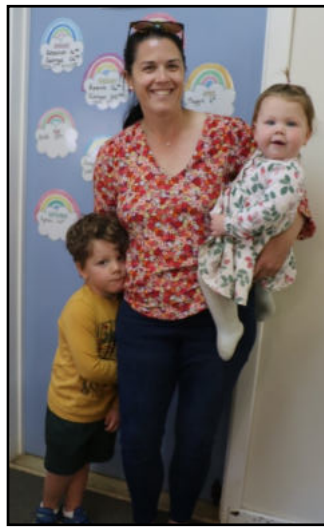

Maths were put to the test. Whilst at the store students were required to purchase items, calculate the total cost (using vertical addition or mental computation strategies) then calculate change from \$50 (using vertical subtraction or mental computation strategies). Goods were then brought back to school for cooking the following day. A big thank you to Amy Knight and staff at the local store for supporting our visit.
