

DUMBLEYUNG PRIMARY SCHOOL

From the Principal's Desk

Dear Parents/Carers and Community Members

Thank you, to parent volunteers last week at the cross-country event, we were appreciative of your support. It was wonderful hosting families for an afternoon of spectating, cheering, lunch and Assembly fun. The students enjoy having their family and special guests attend such events. Thank you for coming!

Mother's Day held on 9 May was a big hit with all the Mums and Nanans

Covid is rampant amongst the community and state, it seems. Please beware of any coughs, sniffles, fevers and tummy upsets or general cold/flu symptoms as they are likely Covid. Staff are considerably vulnerable for contracting bugs, Covid however is particularly contagious and takes longer to recover from. In the current climate of teacher shortages, sick teachers mean greater interruption to learning programs. Please keep children home until they are completely clear of cold-like symptoms.

School attendance for every child, every day is important for student progress and achievement. School starts at 9:00am daily and concludes at 3:15pm, except early-close Monday when the day concludes at 2:25pm. Increased rates of late arrivals and early leave for students has been recorded. Please prioritise your routines around prompt arrival to school, valuable literacy instruction and intervention programs run during our morning literacy block. If your child/ren regularly miss the same timeslot again & again, they fall behind which then impacts their confidence. Sickness and medical appointments are good reasons for non-attendance.

I hope the rain has lifted everyone's spirits in your household. Safe travels over the long-weekend and enjoy the extra time with family,

Kind regards

Mrs Melanie Ball
Principal
